Catwoman cannot believe that you have managed to get so far! She tries desperately to beat you with word problems.

1. Ashley has 2.4 RM and she wants to give 0.8 to Quadirah. How much will Ashley have left?

2. Superman has \$40, he spends \$30.99, how much does he have left?

3. Hulk bought himself a crate of energy bars. The crate cost \$53.46, he paid with \$100, how much change does he get?

4. Supergirl bought herself some lunch, she bought a sandwich for £3.45, a drink for £0.99 and a chocolate bar for £0.59. How much did she spend?
