Old Dalby C of E Primary School

### Pupil Rules for Responsible Internet Use

The school has installed computers with Internet access to help our learning. These rules will keep us safe and help us be fair to others.

- I will only access the system when I am told.
- I will not access other people's files.
- I will only use the computers for school work and homework.
- I will not bring in floppy disks from outside school.
- I will only use the Internet when instructed to by my class teacher.
- I will only E-mail people my teacher has approved.
- The messages I send will be polite and responsible.
- I will not give my home address or telephone number, to anyone over the Internet.

I will report any unpleasant material or messages sent to me. I understand this report would be confidential and would help protect other pupils and myself.

I understand that the school will check my computer files and monitor the Internet sites I visit.
