

Flu Immunisations - Nasal Spray

The immunisations will be on Wednesday 30th November 2016. Please complete the form and return it to school by Monday 7th November. The form needs to be completed even if you do not want your child to have the immunisation. If you do want your child to have the nasal spray, please make sure you return the form as the nurses will only bring enough vaccine for the forms they have received.

Spring Census

Each year schools are required to provide information to the Department of Education on the pupils in their schools.

This year they have requested that we provide information on your child(dren)'s **country of birth** (as it appears on either their birth certificate or passport) and **nationality** (this also would be expected on a passport or European economic area identity card). **This is a statutory requirement so we do need this information.**

Please complete the slip below if you haven't already done so and return it to school as soon as possible!
