

OLD DALBY PRIMARY SCHOOL PTA

- The PTA is a charity, run by a committee of volunteer parents and teachers who give their time to plan and run various events throughout the year, raising funds to support the school in making our children's experience at Old Dalby Primary School as rich as it can be.
- We host events for parents, children and the wider community which are great fun and bring us together as a community.
- As well as hosting events, the PTA has redesigned, created and produced (manual labour was involved!) the pencil garden area near reception and the dinosaur garden next to Class 3. We also maintain these areas and the raised bed areas. Unfortunately, we've been unable to do so in 2021 because of COVID.
- Over the last couple of years, we have raised over £13,000 and have made donations to school of £12,000. This has been spent on
 - KS1 and KS2 trips
 - leavers' hoodies and trip/picnic
 - a new portable sound system
 - updating the school environment with new wall friezes, trophy cabinets and furniture in reception
 - dance workshops
 - theatre and author visits into school
 - creating the pencil garden near reception and the dinosaur garden next to class 3.
 - Seasonal treats for all pupils
- None of this would have been achieved without the support and generosity of parents/carers and members of the wider community donating to our events.
